INTRODUCTION

**NEW
ARK
ARTS
START**

- **Newark Arts mission is to power the arts to transform the lives of those who live in, work in, and visit Newark.**
- **The ArtStart Grant Program was designed to nurture arts and cultural activities and to enhance the capacity of non-profit organizations, schools, and individual artists to provide arts-based projects throughout Newark's five wards.**
- **ArtStart 2024 events must take place between July 1, 2024 and June 30, 2025.**

MINI GRANTS

ELIGIBILITY

**NEW
ARK
ARTS
START**

- Newark Arts provides the ArtStart mini grants to community members, schools, non-profits and individual artists with the aim of nurturing a broad spectrum of arts and cultural activities in our neighborhoods.
- Since 2001, the ArtStart Grant program has been instrumental in fostering cultural activity in Newark's local arts community.
- The program aims to provide seed money for new, innovative, community-led art initiatives.
- **If you or your organization has received an ArtStart grant within the past three years, please ensure that the proposed project differs from any previously funded projects to be eligible for the grant.**

NEW ARK ARTS START

APPLICATION CLOSES

What is the success rate for ArtStart applicants?

As funds are limited, grants are very competitive. Historically, approximately one in every three proposals have been funded. Please be aware that projects may not be fully funded.

Can Newark Arts Staff help me with my application?

Questions can be submitted via [**newarkarts.org/artstart/application**](https://newarkarts.org/artstart/application). However, Newark Arts *does not review full proposals or provide edits to texts or budgets*.

I'm not from Newark; can I still apply for an ArtStart Grant?

Organizations/Artists not from Newark seeking funding support for programs *specifically in service of Newark residents* are welcome to apply. As long as your program happens within the City of Newark and benefits its communities, you are eligible for an ArtStart Grant.

What if only *part* of my program happens in Newark?

Newark Arts *only* supports projects that happen in Newark. If part of your project occurs outside of the city, you must clearly demonstrate that the grant funds you are requesting are being applied only to the portion happening in Newark. We strongly recommend that proposed projects happen in Newark in their entirety and benefit only Newark and its communities.

If I plan to partner with other organizations, should I list them in my proposal?

Local partnerships are integral to the success of any community-based project. You must mention your partners, indicate whether they are confirmed or proposed, and tell us how they will be involved. A letter of support from the executive director(s) is also required.

I have a great idea for a project, but nowhere to hold it! What should I do?

Applicants must secure space to run their program *prior* to submitting their proposal. Our panel will be looking at how realistic your program is to implement, based on the details you provide and your program history/experience. Projects proposed without a definite space are deemed “less realistic”.

What is the ADA and how does it affect my program?

The Americans with Disabilities Act (ADA) is a civil rights law that prohibits discrimination against individuals with disabilities in all places that are open to the general public. The purpose of the law is to ensure that people with disabilities have the same rights and opportunities as everyone else. This means that your venue should be accessible to people who have mobility impairments, and you should seek to accommodate people who are hearing or visually impaired or have other disabilities *by asking them to let you know in advance of special needs*. It's advisable to have an organizational ADA plan that describes the accommodations that are currently available and notes those that are being planned for.

How should I notify the Newark Arts Council if my email or mailing address changes after I submit my ArtStart grant application?

Contact us at 973-643-1625 or ArtStart@newarkarts.org to let us know. Be sure to identify yourself as an ArtStart grantee and provide your contact information, the name of your organization, old address information, and any updated contact information in the email.

Are ArtStart grants transferable?

Grant funds are not transferable. Funds may be spent *only* on those activities specified in the grant application or approved in a project or budget revision. Applicants must submit a written request to Newark Arts prior to implementing any project or budget revisions. If the project cannot, for any reason, be implemented as described, the grant check must be returned to Newark Arts.

What happens if part of my proposal falls through after I've been awarded an *ArtStart Grant*?

Major changes to your project (such as population served, staffing, funding, timeline, location, partners) must be approved prior to proceeding. You must submit a written request for approval explaining the proposed changes before moving forward with your project. If the alteration to your project changes the initial scope/benefit/impact of your awarded proposal, you may not receive your funding.

If I'm awarded a grant, what are the requirements and payment information?

You may not spend grant dollars until you have received an official award letter and signed a grant agreement. Following the project's completion, you must submit a final report form (which will be provided), describing the project, how grant funds made a difference, the number and demographics of the participants and audience, and a completed final budget form. *Failure to submit a complete final report in a timely manner will affect future funding.*

Will you send us a grantee kit?

Resources are available at www.newarkarts.org to help you promote your partnership with us. Recipients of ArtStart Grants are provided with all necessary documentation, ArtStart posters, and proper logos as well as instructions for how to properly credit the Newark Arts Council as a funder after the award is given. Organizations receiving support are encouraged to promote receipt of the award through press and social media.

If I'm a first-time applicant, how do I make sure I'm successful?

Newark Arts Staff strongly recommend that you have someone review for your application to check for typos and anything you may have missed! Did you include all the required attachments? Did you answer each question to the best of your ability? Select a friend/colleague to check over your application before you submit it.
